

Ogier, together with DBS Bank, Alter Domus and KPMG are hosting this webinar to help fund managers understand the new dynamics in the post-pandemic market. The webinar will focus on private equity / alternative investment opportunities and risk mitigation know-how in the post-Covid market. Webinar attendees will gain practical insights to investment and fund raising in a disrupted market.

Ogier partner Nicholas Plowman and associate Gloria Chen will be speaking during the webinar on the benefits of offshore jurisdictions and will be providing a Cayman regulatory update.

Please note that the webinar will be held in Mandarin.

If you would like to attend, please contact Eric Chow.
