

Ogier are pleased to be sponsoring the HFM AsiaHedge Forum and Awards in Hong Kong.

Kate Hodson and Nicholas Plowman will both be attending.

Kate is on the panel and will be discussing the following:

ESG: How to quantify it and measure up to your peers

- What is ESG and how do investors measure it?
- What technology is available to measure ESG?
- Should you outsource this technology or build it yourself? How do you apply ESG to your investment strategies?
- How to stay ahead of the ESG curve.
