

Ogier Partners Anne-Gaëlle Delabye, Laurent Thailly Benoît Rose, William Jean-Baptiste and François Pfister, will attend the *Focus on Private Equity virtual event* on January 14th organised by Lux For Finance.

The event delves into the largest sector within alternative investments, it will obviously focus on private equity and show how the outlook for the sector remains bright, especially as equity valuations skyrocket and investors look for longer-term diversification.

Please get in touch if you would like to connect with them.
