

The annual STEP Cayman International Structuring Forum will have an altered format for 2021. STEP Cayman will offer a series of online events for international connections, together with a number of in-person events for local Branch members.

The week-long event series will also include the launch of the 2021 Trust Cayman Magazine, which features the latest developments in the Cayman Islands trust industry and includes commentary and thoughtful analysis from Cayman Trust experts.

Ogier partner Jennifer Fox will join the first in-person event on January 15th as part of a special panel discussion titled "*Cayman in the time of covid and beyond - the future of the Cayman Islands trusts industry*".

Ogier partners Anthony Partridge, Rachael Reynolds along with Counsel Deborah Barker Roye, Managing Associate Fraser Allister and Associates Bryan Little and Rebecca Findlay will also be attending.
