

Managing Associate Gemma Lardner joins this special Thought Leaders 4 FIRE panel titled ***"Assembling the A Team - Identifying the different professionals involved and how to capitalize on their expertise."***

Attendees will benefit from a multi-faceted speaking faculty who are engaged after the fraud has been confirmed (or suspected) by a court or other governing authority. The panel of experts will discuss who should be involved, why, and what roles they should all have.

If you would like to connect with Gemma to arrange a meeting, please do so via the details provided on the right.
