

Partner Rachael Reynolds joins this Thought Leaders for HNW Divorce virtual seminar which will help participants understand best practice in planning for enforcement at the outset of a divorce proceeding, as opposed to only at the point of award when the other side refuses to pay up.

Featuring 2 unique discussion sessions drill down into:

- Assembling and funding the A team with enforcement in mind
- Who is involved at the outset
- Capitalising on all available expertise
- Breaking the offshore firewall?
- How do you enforce offshore?

Rachael's section will cover "***Offshore: Breaching the Firewall***"
