

Ogier is a sponsor for the hedgeweek European Emerging Managers Summit.

Partner Benoît Rose and Managing Associate Richard Bennett will be attending the event on 17 November in London.

Topics will include:

- Legal & Fund Structure
- Operational Due Diligence
- Practical insights on what the ODD process looks like for today's hedge fund manager
- The European AIFM model: What is it, how does it work, and what are the risks to using a 3rd party model?
- Best practice in risk management for new and emerging managers
- Start-up boot camp: tax structuring for new and emerging managers
- Information overload - making sure you are extracting the best from data
- Fee Structuring Considerations

If you would like to connect with Benoît or Richard, please do via the details provided on the right.

Additional details on the virtual conference can be found [here](#).
