Who we are

An agile business, anticipating fundamental changes in our clients' needs

What we do

Ogier's corporate and fiduciary services division, Ogier Global, works with fund managers to meet legislative and regulatory requirements and provide bespoke solutions to meet their administrative needs across the full fund lifecycle, from formation, corporate governance through to wind-down and distressed situations.

Our highly experienced and responsive team of experts are able to provide a full range of services to entities based in BVI, Cayman, Dubai, Guernsey, Hong Kong, Jersey, Luxembourg, Singapore and the United Kingdom.

We work with leading financial institutions, investment managers, corporations and their advisers across a range of industry sectors including funds and investment management, energy and natural resources, real estate, telecommunications, media and technology, infrastructure and healthcare.

Where we are

With professionals based in Europe, the Americas and Asia, we are able to provide global coverage across all time zones.

Our approach

We get straight to the point, managing complexity to get to the essentials.

Our clients enjoy the benefits of being able to build long-term, personal relationships across both our legal and administration teams and working with a single service provider able to support their commercial objectives.

Supported by market-leading technology, our interactive entity administration platform and client service portal, Ogier Connect, gives clients real time access to statutory information and documents.

The fund administration team are very responsive and proactive. Their expertise helps us to navigate fund and investor queries.

The point of innovation

At Ogier, we like to challenge the status quo

Whether we are pioneering new ways to service clients or fostering a culture of continuous improvement, innovation is at the heart of everything we do.

It all starts with our clients. Ogier's drive to innovate stems from our commitment to providing a market-leading service that empowers clients.

An innovation mind-set

Transforming the delivery of professional services.

We are achieving this through a cultural revolution to embed an innovation mind-set throughout our business, equipping our people with continuous improvement tools and techniques.

Our executive-level sponsored programme is based around innovation, efficiency and consistency and it leverages the proven success of continuous improvement methodology within non-legal industries.

Ogier's continued investment in its people and technology is transforming the delivery of professional services to our global client network.

Lean Six Sigma

Continuous improvement culture
Ogier has invested in a continuous improvement culture across the firm. Our entire team is Lean Six Sigma White Belt qualified, influencing their decisions on a day-to-day basis to do the right things,

and do those things right.

Ogier 'One Best Way'

Redefining how we deliver legal services.

Our Ogier One Best Way portal enables our lawyers and professionals to access refined process maps with smart-links to the legal template documents needed to complete a transaction.

The One Best Way process drives firm-wide collaboration to define and document the best way of delivering legal services, helping to surface historic blind-spots, drive process efficiencies and bring alignment and consistency to service delivery.

Ogier Connect

Empowering clients on-the-go. Designed by our Ogier Global team, Ogier Connect is an easy-to-use portal that provides clients with round-the-clock, real-time access to the latest statutory documents, registers of ownership, board packs, invoices and more. It uses leading encryption technology for client security.

Ogier Connect is available to Ogier Global clients. For more information speak to your usual Ogier contact.
