- 6.1 Unless agreed otherwise, we shall be entitled to fees calculated in accordance with our schedule of fees (whether fixed fees or time spent) in place from time to time.
- 6.2 Our billing rates vary according to the experience, qualifications and role of the individuals involved. Our billing rates are reviewed from time to time and may be adjusted as we consider necessary. The rates applied will be those in force at the time the work is undertaken.
- 6.3 Our fees may be adjusted annually by reference to inflation, overheads, competitor rates and such other factors as we may consider to be fair and reasonable.
- 6.4 It is not our practice to notify you of changes to billing rates but we will provide up to date information upon request.
- 6.5 The Client Entity shall be responsible for the payment of its own costs and expenses (whether incurred directly by the Client, the Client Entity or by Ogier).
- 6.6 By instructing us, you authorise us to incur and charge for disbursements such as those relating to registry fees, court fees, courier services, government fees, travel expenses and other third party charges. In addition, a sundry expenses charge of up to 4% of fees may be included in each invoice to cover general expenses which it is not practical to charge on a provision basis, such as those expenses relating to telephone calls, printing, and regulatory compliance which are not included within standard or fixed fees billed.
- 6.7 Where significant or unusual third party payments are required we may forward any related invoices to you for direct payment or request monies on account.
- 6.8 If a disbursement for which we request monies on account is incurred in a currency other than that in which the invoice is being produced, those disbursements will be converted to the same currency as that in which the invoice is being issued using the relevant oanda.com rate as we may use from time to time. Should there be any currency fluctuations in the period between the calculation being made and the disbursement being settled, we reserve the right to charge you for the additional cost.
- 6.9 Where you settle an invoice in a currency other than that in which the invoice has been issued we reserve the right to retain any resulting foreign exchange gains unless you request return of the excess (minus any bank charges incurred in respect of that payment).

6.10 If another member of Ogier records time in a currency other than that in which the invoice is being produced, the fees of that other Ogier member will be converted to the same currency as that in which the invoice is being issued using the relevant oanda.com rate as we may use from time to time.

6.11 Our mandatory due diligence procedures may result in a charge depending on the extent of the due diligence required.

6.12 We will add to your invoice any value added tax, goods and services tax or other similar tax that may be chargeable on all or any part of the services which we provide as part of our engagement or any disbursements or charges in relation to those services.

6.13 In the event that you are required to withhold or make any deductions in respect of any tax or similar levy, you will pay to us such additional amount as will ensure we receive the same total amount that would have been received if there were no such withholding or deduction.

7 Payments on Account and Client Monies

7.1 We reserve the right to request a payment on account of fees, disbursements and/or charges.

7.2 Where we are holding money for you, on account or otherwise, we may use this money towards payment or part-payment of any of our outstanding invoices. Should you inform us in writing of a bona fide dispute in relation to our fees, disbursements or charges, we will place such funds on a suspense account pending resolution of any such dispute.

7.3 Any monies retained in our client account or held in an account established for the Client or the Client Entity (irrespective of the reason for which they are held) shall be placed on account with a bank separate from our own funds. In the event of such a bank being unable to meet its obligations to its creditors for any reason (including but not limited to any form of insolvency), we shall not be liable to any person for any Losses (whether consequential or otherwise), damages or liabilities howsoever arising and your liability for payment of our fees, disbursements and charges shall remain unaffected.

7.4 To the extent that tax is or is required to be deducted from any amounts paid or received by a Client Entity, any Member or other connected entity, we may account to the relevant tax authorities for tax deducted.

7.5 Where we receive or are holding money for you on account or otherwise and we have suspicions of money laundering or any illegal activity we may be obliged to report those suspicions to the relevant authorities and reserve the right to refuse to transfer out such money without the prior sanction of any relevant authorities.

7.6 Following termination of the engagement any monies retained in our client account shall (subject to clause 8.5) be dealt with in accordance with Ogier's client account balances procedure (a copy of which is available on request) which may involve any negligible or untraceable amounts being paid away to charity.

8 Payment

8.1 Unless otherwise agreed, and except where we issue an invoice for pre-payment of annual fees for Services to be rendered and for applicable charges to be payable by the Client Entity under any Law and Regulation, invoices are usually rendered monthly in arrears and generally include all fees, disbursements and charges incurred up to the date of the invoice. Unless otherwise agreed with us, payment is due immediately.

8.2 If payment is not made within 30 days, we may charge interest at a monthly rate of 2%.

8.3 Without prejudice to our right to claim interest, if payment is not made when due (or if we request payment on account of fees, if payment is not made when requested), we may stop acting for you and retain documents and papers belonging to you, together with our own records pending payment in full of all amounts due to us.

8.4 You and/or the Client Entity remain personally responsible for payment of our fees where it is intended that our fees will be met from any source other than your own funds. You and/or the Client Entity are liable when payment is due, whether or not monies are available from any such other intended source.

8.5 All fees, costs and expenses due to us pursuant to the Client Agreement may be invoiced and collected by any member of the Ogier for and on behalf of us. Payment by the Client Entity to any member of the Ogier will constitute a valid discharge of the obligation to pay us.
